Application Section VI.

ATTESTATION AND SIGNATURE

The undersigned attests, represents and warrants that they have reviewed all the information and material included and provided by the undersigned in all the sections of this application, and that all such material and information is complete and accurate.

The undersigned authorizes any individual or entity in the possession of any information bearing on me or my facilities' qualifications to release such information to ***Integra Partners IPA*** ("Integra") upon Integra's request.

The undersigned hereby release Integra and its owners, officers, directors, agents and employees, as well as any individual or entity and its owners, officers, agents and employees releasing above-referenced information from liability for any damages resulting from the release of any such information to Integra.

The undersigned further agree to notify ***Integra Partners IPA*** in a timely manner not to exceed thirty (30) days of any change in the status of the information or material included in the Application.

The undersigned understands that the mere submission of the Application does not entitle them or their facilities to be a independent contractor providing services on behalf of Integra, or to bill or collect payment from Integra for services I or my facilities provide, or to bill or collect payment from insurance companies with which Integra has entered into agreements for services I or my facilities provide.

The individual undersigned represents and warrants that (s) he is authorized to obligate the applicant as contemplated by this application, and that no corporate or other entity action is necessary to obligate the Applicant.
